Congratulations Jim Guevara and Jordan Price on being nominated for the annual Scattergood Foundation Innovation Award

Date:

Friday, March 20, 2015

PolicyLab's Jim Guevara and Jordan Price have been nominated for the annual Scattergood Foundation Innovation Award. Their project, Postpartum Depression Social Media-based Parenting Education, with colleagues Shadiya Moss, Rhonda Boyd, and Danielle Chuang, seeks to develop a parent-coaching program for women with postpartum depressive symptoms utilizing a social media format to enhance participation. Review and comment on their project here.
