Postpartum Depression Social Media-based Parenting Education project selected as one of seven finalists in the annual Scattergood Foundation Innovation Award!

Date:

Tuesday, March 31, 2015

A Postpartum Depression Social Media-based Parenting Education project by PolicyLab's Jim Guevara and Jordan Price has been selected as one of seven finalists for the annual Scattergood Foundation Innovation Award. Along with colleagues Shadiya Moss, Rhonda Boyd, and Danielle Chuang, their project seeks to develop a parent-coaching program for women with postpartum depressive symptoms utilizing a social media format to enhance participation. Review, comment, and vote for their project here.
