Register for Our Upcoming Webinar: Making the Business Case for Managing Social Complexity in Pediatrics

Date:

Monday, January 14, 2019

You're invited to join PolicyLab's upcoming "Making the Business Case for Managing Social Complexity in Pediatrics" live webinar on January 29 at 2 p.m. EDT. PolicyLab Director David Rubin, MD, MSCE, and Children's Hospital of Philadelphia (CHOP) Population Health Improvement Advisor Leigh Wilson, MSW, LSW, will discuss the current state of intergenerational strategies in pediatric health care; how to build a business case for implementing intergenerational social risk programs within a pediatric health care system; and what it takes to operationalize and align these programs with a focus on quality improvement and outcomes. Register today and find more information here.
