Listen to Our New Webinar: Making the Business Case for Managing Social Complexity in Pediatrics

Date:

Wednesday, January 30, 2019

Earlier this week, PolicyLab hosted a webinar on addressing social determinants of health in pediatric care. PolicyLab Director David Rubin, MD, MSCE, and Children's Hospital of Philadelphia (CHOP) Population Health Improvement Advisor Leigh Wilson, MSW, LSW, walked through the current landscape for addressing these issues in pediatrics, ways to build a business case to implement intergenerational social risk programs and practical examples of strategies at work. Watch the webinar below.
