

Cherylann McGee

Resource Coordinator

Cherylann McGee is a resource coordinator at PolicyLab and Clinical Futures at Children's Hospital of Philadelphia (CHOP). In this role, Cherylann provides administrative support to several principal investigators and their research teams. She has held high-level administrative and coordinator roles in various industries over the course of her career, including 10 years within health care. Her interests include health care quality and process improvement, medical ethics and care of chronically/seriously ill or injured children. She will also be providing support to the Department of Medical Ethics at CHOP. Cherylann continues to pursue her bachelor's degree in health care administration.

Contact Cherylann at 267-425-2104 or mcgeec3@chop.edu.
