Kali Hackett is a research study manager at PolicyLab at Children's Hospital of Philadelphia. In this role, she leads various maternal and child health projects, with a particular focus on the implementation and evaluation of intergenerational programs and interventions. Ms. Hackett is a public health social worker with significant experience supporting young children, parents, and families both in direct service capacities and through research and policy. Her approach to this work focuses on ensuring that children, caregivers, and families have the necessary resources, knowledge, quality care and support to thrive. Ms. Hackett received her Master of Public Health and Master of Social Work from the University of North Carolina at Chapel Hill.
