

Health Resources and Services Administration Request for Information: Maternal and Child Health Bureau Strategic Plan

Date:

Dec 2020

[Download Material](#)

PolicyLab responded to a request for information from the Health Resources and Services Administration seeking input as they begin a new strategic plan for the Maternal and Child Health Bureau. In this letter, PolicyLab draws on relevant research and expertise from our community of experts to emphasize the importance of programs that address maternal depression, and initiatives that support evidence-based home visiting and literacy programs.
