

Stefany Rojas

MA

Clinical Research Assistant

Stefany Rojas is a clinical research assistant at PolicyLab at Children's Hospital of Philadelphia. Ms. Rojas works on the PriCARE Parenting program, which is a free, six-week group training program for caregivers that helps improve children's behaviors and strengthen the caregiver-child relationship. She is also a bilingual clinical research assistant that works on the CARIÑO program, which is the Spanish version of the PriCARE parenting program.

She previously worked as a registered behavior technician, implementing behavior-analytic services to youth suffering from a variety of behavioral conditions. Ms. Rojas received her bachelor's degree in psychology from Rutgers University and is currently working towards a master's degree in School Psychology at Rowan University.
