

U.S. Senate Committee on Finance's Request for Information: Policy Proposals to Address Unmet Mental Health Needs

Date:

Nov 2021

Download Material

PolicyLab responded to a request for information from the U.S. Senate Committee on Finance regarding policy proposals to address unmet mental health needs.

In this response, PolicyLab experts answer questions, such as "how should shortages of providers specializing in children's behavioral health care be addressed?" and "are there different considerations for care integration for children's health needs compared to adults' health needs?"

Authors:

Young J, Pennotti R, Rosenguist R
