Angelina Pielli

Clinical Research Assistant

Angelina Pielli (she/her/hers) is a Clinical Research Assistant at PolicyLab and Clinical Futures at the Children's Hospital of Philadelphia (CHOP). Angelina works on projects with Dr. Brian Jenssen and Dr. Alexander Fiks focusing on improving pediatric care through research. She is currently working on Refer2Quit, a smoking cessation study, as well as The Possibilities Project.

Angelina Pielli received her Bachelor of Science in Public Health from Temple University. During her time at Temple, she interned at CHOP in the Health and Well-being clinic where she worked on clinical studies focusing on the impact of Glucagon-like peptide-1 (GLP-1) receptor agonists.
