Pennsylvania Bureau of WIC Request for Comment: 2027 WIC State Plan of Program Operation and Administration

Download Material

PolicyLab responded to a request for comment from the Pennsylvania Bureau of WIC on the 2027 WIC State Plan of Program Operation and Administration.

In their response, PolicyLab experts offered considerations to maximize effective cross-enrollment opportunities, expedite the transition to WIC online benefit reloading and remote certification, and leverage existing program flexibilities to improve the user experience.

The views expressed in this comment are those of contributing PolicyLab members and do not reflect the official positions of CHOP.
