

Emmanuel Aryee MD

Affiliate Trainee

Emmanuel Aryee, MD (he/him) is a pediatric hematology/oncology fellow at the Children's Hospital of Philadelphia (CHOP) and an affiliate trainee at PolicyLab.

Dr. Aryee is interested in the equitable distribution and access to novel treatments and therapies (gene therapy, CAR-T) in the pediatric hematology/oncology population. He is also interested in translating research findings into actionable insights for local and national health policies addressing health care access.

He earned his undergraduate degree in biology at the University of Chicago and completed medical school at Dartmouth. He was a post-doctoral research fellow at the Massachusetts General Hospital/Harvard before completing his pediatric residency at the Medical College of Wisconsin.
