Children's Hospital of Philadelphia
PolicyLab

Angela Won

Resource Coordinator

Angela Won (she/her) is a resource coordinator at Clinical Futures and PolicyLab at Children's Hospital of Philadelphia. She brings a diverse background in administrative and program operations across nonprofit arts, higher education, recruitment, and community health organizations. Her experience includes supporting programs and mission driven teams that expand equitable access to youth services and school-based health care in marginalized and underserved communities, Creative Youth Development, and childcare and education support placements.
