Internal Revenue Service Public Comment: Application of the PRWORA to the Refunded Portion of Certain Federal Refundable Tax Credits

Download Material

PolicyLab responded to a request for comment from the Internal Revenue Service (IRS) on Application of the PRWORA to the Refunded Portion of Certain Federal Refundable Tax Credit.

Contributing PolicyLab experts highlighted research demonstrating that tax credits help address child poverty and improve food security, as well as support improved child and caregiver outcomes.

The views expressed in this comment are those of contributing PolicyLab members and do not reflect the official positions of CHOP.
