PolicyLab's Dr. Aletha Akers to present at Philadelphia Department of Public Health Grand Rounds

Date:

Wednesday, February 10, 2016

On February 17th, The College of Physicians of Philadelphia in Association with The Philadelphia County Medical Society and the Philadelphia Department of Public Health will be holding a continuing medical education program on Long-Acting Reversible Contraception (LARC). PolicyLab researcher Dr. Aletha Akers, will be presenting on the need and value of LARCs, as well as explaining the current debate and policies. For more information and to register, click here.
