Commentary by Evan Fieldston, Jennifer Jonas and Mallika Marar: Bending the Value Curve

Date:

Tuesday, July 08, 2014

See commentary, *Bending the Value Curve,* written by Evan Fieldston, Jennifer Jonas and Mallika Marar in *Hospital Pediatrics,* where they discuss the shortfalls of focusing on costs alone when it comes to health care spending in the United States. Instead, they propose a national commitment to "bending the value curve up." Find related blog post here.
