# Don't miss the new podcast and articles out on psychotropic medications

**Date:**

Tuesday, September 02, 2014

A new publication, *Second-Generation Antipsychotic Use Among Stimulant-Using Children, by Organization of Medicaid Mental Health* is now published online. Click here to see the full article.

Also, access the JAACAP Podcast with David Rubin, MD, MSCE on the newly published article, A*ntipsychotic Prescribing to Youth: A National Review of Trends* here.

In related work, Kathleen Noonan, JD and Dorothy Miller, JD, MPH, argue that, given new federal requirements related to psychotropic medications and children in foster care, the state policy-making process must become more transparent to ensure broad public input and recourse in the case of non-compliance.
