PolicyLab

## Partnership Development Award

### Improving Neonatal Outcomes at Nyangabgwe Hospital, Francistown, Botswana

*Partnership:* **Sarah Maclean, MD**, CHOP pediatrician will partner with Unangoni Bulawayo, MD at Nyangabgwe Hospital, Francistown, Botswana.

*Project Description:* This project focuses on understanding the factors associated with neonatal mortality at a hospital in Botswana. This award is PolicyLab's first CPIR award to a CHOP physician and an international partner.
